

Mary Jo Kordos came to Wireless Services, Inc. more than 10 years ago bringing approximately 20 years of business management experience with her.

She graduated from college in 1974 with her degree in business. From 1974 through 1980 she worked for Union Corporation's corporate counsel and group vice presidents executing employee stock options and assisting in union/labor negotiations as well as other corporate office procedures.

Between 1985 & 1995 she began putting her business practices to use by assisting in the family owned plumbing and heating contracting business. During that time she acquired her HVAC and Journeyman's license. Also during that time she owned and operated a boat rental and food concession business at Crooked Creek State Park in Ford City.

In 1995 she began working for Family Services of Western Pennsylvania auditing the reports sent by the CIS Department to the three counties that they served and assisted the MIS Director to ensure that client data was accurate. In 1998 she became Supervisor of the CIS Department and was chosen to learn and train the Agency on a new client information data base.

In May of 2000, she was offered the position of Accounts Manager for Wireless Services, Inc. She is in charge of all customer accounts and contracts, accounts payables, receivables, payroll and employee benefits.

She has obtained the State of West Virginia Business License for Wireless Services, Inc., is a Notary and is certified in all current versions of Quick Books Pro.

Mary Jo was born and raised in New Kensington and raised her only child in the home that she grew up in. She has two dogs, Kishka and Jordan.
